Jun 30, 2016 - Doha beIN has launched a summer promotion for its potential subscribers throughout the region, offering two months free when they subscribe to beIN Complete package with beIN Media Server or beIN 4K Receiver.

This summer offers two must watch sports events in the form of Wimbledon which started on 27th June and Rio 2016 Summer Olympics that start on 5th August. beIN is initiating this promotion in time for sports fans and for families who would be entering their summer vacation period.

beIN is planning to expand its channel line up shortly, which would ensure that all the family members are getting an even bigger choice of premium sports and entertainment content. beIN already offers more than 59 HD channels, a number which is poised to increase to around 70 channels very soon.

This promotion will offer beIN prospects a unique opportunity to subscribe to beIN in time for not only Wimbledon and Rio 2016 Summer Olympics, but also before the football season starts in August.
